#### Manager's Note (Cassie's Corner)

Hello Everyone!

As we enter this time of year I want you all to make sure to pay attention to the various holiday closings. We will be closed November 10th, 22nd (starting at noon), 23th and 24th in observance of Veterans Day and Thanksgiving Day. Signs will be posted prior to the holiday on the front lobby door. Also, as we enter the winter season please be aware of the inclement weather policy.

A friend of mine shared something with me that I thought was a pearl of wisdom about how we use our words. It's about thinking before we speak used in an acronym:

Think (before you speak)  
Honest (Be honest)  
Inspiration (Be an inspiration)  
Necessary (Ask yourself is it necessary to say)  
Kind (Be kind always)

Thank you!  
Cassie

"Be thankful for what you have; you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough." – *Oprah Winfrey*

## ADVISORY BOARD NEWS

It is time for your Advisory Board to let you know what we are doing for you. It is one of our missions to field any concerns from you or the staff and negotiate resolutions. Fortunately, we are not aware of any real concerns either from the staff or the members, so that part of our mission has been remarkably easy.

Another mission is to provide funds to support programs and events essential to the Senior Center. These funds have been primarily raised by gift shop sales and raffles. We have some funds earned in years past which we are excited to announce will be used for some wonderful improvements:

- We will be purchasing a new TV and TV cart, so that the picture can be big enough to be seen and loud enough so the sound can be heard.
- We will also be paying half the cost of a new treadmill to replace one that is terribly outdated.
- We anticipate that there may be a need to provide materials for a new "Adult Coloring" class.
- Our Ukulele group has begun teaching ten new players. We hope we will be able to support with necessary supplies to make this activity successful.

If your group has a funding request and would like the Advisory Board to support their program, start by filling out an application. These are available from the Senior Center Manager.

Have fun and keep smiling,

Fred Underwood
